

— since 1924 —

DAIKIN

is leading the way in air conditioning. That is 90 years of smart heating and cooling solutions. 90 years of intense desire to improve your quality of life. Every new innovation we create truly

MAKES

your world a better place. We always try to innovate with you in mind, that is how we make a real difference. All

PEOPLE

love to live and work in comfort, and our efficient air conditioning systems create perfect conditions to make you

HAPPY

NUMBER 1 IN CLIMATE CONTROL

Let's celebrate 90 years of Daikin Industries, 90 years of perfect comfort inside and 90 years of making people happy.

90 YEARS OF PERFECT COMFORT
